BILL ANALYSIS

C.S.H.J.R. 132
By: Corte
Defense & Veterans' Affairs
Committee Report (Substituted)

BACKGROUND AND PURPOSE

There are many military bases in Texas that provide tremendous economic benefits to the state and the counties and cities in which they are located. These military installations are critical to our national safety and security, and protecting them is of great importance to the state's continued stability. The billions of dollars in payroll and federal investment related to these bases is in danger of being lost due to continued encroachment by development around the military installations and the lack of a clear authority for municipal and county governments to protect the installations from this encroachment. Current law does not provide a method for municipalities or counties to issue bonds or notes to raise revenues needed to acquire buffer areas or open spaces adjacent to military installations that prevent encroachment, or to fund the construction of roadways, utilities, or other infrastructure that protect or promote the mission of the military installations.

C.S.H.J.R. 132 proposes an amendment to the Texas Constitution to authorize the legislature by general law to authorize a municipality or county to issue bonds or notes to finance the acquisition of buffer areas or open space adjacent to a military installation to prevent encroachment and to fund the construction of roadways, utilities, or other infrastructure to protect and promote the military installations.

RULEMAKING AUTHORITY

It is the committee's opinion that this resolution does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

C.S.H.J.R. 132 proposes an amendment to the Texas Constitution to authorize the legislature by general law to authorize a municipality or county to issue bonds or notes to finance the acquisition of buffer areas or open spaces adjacent to a military installation for the prevention of encroachment or for the construction of roadways, utilities, or other infrastructure to protect or promote the mission of the military installation. The resolution authorizes the municipality or county to pledge increases in property tax revenues imposed in the area by the municipality, county, or other political subdivision for repayment of the bonds or notes and sets forth the required language for the ballot.

ELECTION DATE

The constitutional amendment proposed by this joint resolution will be submitted to the voters at an election to be held November 3, 2009.

COMPARISON OF ORIGINAL AND SUBSTITUTE

C.S.H.J.R. 132 differs from the original by authorizing the legislature by general law to authorize a municipality or county to issue bonds or notes to finance the acquisition of buffer

areas or open spaces adjacent to a military installation for the prevention of encroachment or for the construction of utilities or other infrastructure, in addition to roadways as in the original, to protect or promote the mission of the military installation. The substitute adds a provision not in the original authorizing the municipality or county to pledge increases in property tax revenues imposed in the area by the municipality, county, or other political subdivision for repayment of the bonds or notes. The substitute updates the ballot language to reflect these changes.

AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

There are many military bases in Texas that provide tremendous economic benefits to the state, as well as to the counties and cities within which they are located. The billion of dollars in payrolls and federal investment related to these bases are in danger of being lost due to continued encroachment by development around the military installations. Municipal and county governments do not have a method to issue bonds or notes to raise revenue needed to acquire buffer areas or open spaces adjacent to military installations or to construct roadways or infrastructure to protect and promote the mission of the military installations.

This legislation authorizes municipalities and counties to issue bonds or notes to finance acquisition of buffer areas to prevent encroachment and to fund the construction of roadways or infrastructure to protect and promote the military installations.

H.J.R. 132 proposes a constitutional amendment relating to the financing, including through tax increment financing, of the acquisition by municipalities and counties of buffer areas or open spaces adjacent to a military installation for certain purposes.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

SECTION BY SECTION ANALYSIS

SECTION 1. Amends Article III, Texas Constitution, by adding Section 52k, as follows:

Sec. 52k. Authorizes the legislature by general law to authorize a municipality or county to issue bonds or notes to finance the acquisition of buffer areas or open spaces adjacent to a military installation for the prevention of encroachment or for the construction of roadways, utilities, or other infrastructure to protect or promote the mission of the military installation. Authorizes the municipality or county to pledge increases in ad valorem tax revenues imposed in the area by the municipality, county, or other political subdivisions for repayment of the bonds or notes.
